Taking learning outside of the classroom

## About our programmes

Our summer programmes offer a fun and rewarding experience, combining lessons with comfortable accommodation, exciting activities, and excursions. Using a communicative teaching method and project work, we make learning enjoyable and interactive. Our courses help students improve their language skills and gain the confidence to use English in real-life situations.

Our teachers support students to:

- Improve their English skills
- Build confidence in using and understanding English
- Enhance pronunciation and expand vocabulary

## Activities

Our activities complement lessons, providing students with opportunities to practice their English while having fun. Sports, arts and crafts, photography challenges, and scavenger hunts are just some of the activities available between lessons.

In the evenings, students can enjoy team games, discos, quiz nights, talent shows and film nights offering more chances to socialise and make new friends.

## Student excursions

Students can explore the UK or Ireland with weekly excursions to historic and popular destinations. These excursions are linked to the lesson plans, providing further opportunities to practise English and socialise outside the classroom.

## Our academic syllabus - what sets us apart

### Creative, Collaborative, Confidence-Building Project Lessons

Project Lessons **make up 40% of the timetable**, turning English into a hands-on, real-world experience. Students work in teams to research, plan, create, and present – building language skills alongside creativity, critical thinking, and teamwork.

Themes include:

- **Excursion-Based Projects:** inspired by visits to UK landmarks and cultural sites
- **Environmental Projects:** tackling global issues through persuasive English and innovation

### Sample Projects:

Depending on the week, students could:

- Design a sustainable fashion campaign on social media
- Research and create a walking tour of a local landmark
- Record a podcast on an environmental issue
- Write original stories based on local legends
- Present an eco-school design

### Why students love our programme:

- Real-world relevance
- Digital creativity
- Practical outcomes
- Fun, memorable, and confidence-boosting

These lessons help students see what they can achieve with English. By the end of the course, they'll have a portfolio of work to take home – and the skills to take on new challenges with confidence.

It is easier than ever to book the package you want

### English Pathways: Real-World Skills for Study, Life and Work

New for 2026, English Pathways (30% of the timetable) prepares students for their future – whether that's university, work, or personal growth.

#### Focus Areas:

- **Academic Skills:** note-taking, revision, time management
- **Career English:** CVs, interviews, workplace communication
- **Public Speaking:** presentations, persuasive language
- **Life Skills:** leadership, decision-making, goal setting

Delivered by qualified EFL teachers, the lessons are engaging and tailored to age and level, helping students build English and essential skills for the future.

#### What makes it different?

- Combines English with future-ready skills
- Builds confidence and independence
- Develop transferable skills for the future.
- Adds value – at no extra cost

#### Sample Weekly Timetable

Our summer programme follows a clear three-part structure:

- **Coursebook Lessons (30%):** build core English skills like grammar and vocabulary
- **English Pathways (30%):** focus on communication, leadership and practical English for study and work
- **Project Lessons (40%):** creative group projects linked to excursions and environmental topics

### What makes Twin different?

We offer more than just accredited English courses. Our wider education programmes across the UK, Ireland and Spain focus on employability, vocational training, apprenticeships and internships.

We've won multiple awards for our internship services and deliver career skills training at top UK universities. Our programmes help students prepare for the world of work – from writing CVs and preparing for interviews to gaining real industry experience.

We also run government-funded training in areas like cybersecurity, customer service, and leadership. With years of experience helping learners build confidence and career-ready skills, we bring this expertise into our summer courses – so students leave ready for what's next.

There is a wonderful mix of student nationalities at Twin, you can learn a lot from each other's cultures and experiences. I now have international friends! - *Pepe, Spain*

Having the chance to see lots of different sights such as The London Eye, The British Museum and Chinatown - *Veronica, Italy*

They are professional; very good experience. Friendly atmosphere and fun - *Karla, Czech Republic*

There is a nice student community at Twin, a good mix of nationalities. I felt like every student matters - *Rosie, Brazil*

We very much liked the Eastbourne campus, we learnt a lot and made friends - *Dorin, Romania*

I went sightseeing around the city and saw London Bridge, Big Ben and the O2 Arena - *Ahmed Salim, Oman*

I recommend Dublin with Twin for everyone - *Przemyslaw, Poland*

"In my class I learned from the ground up, the teacher made everything so interesting - *Inez, Portugal*

Teachers are great. Everything is good in general - *Alhas, Turkey*

## Safety and wellbeing

The safety and wellbeing of our students is our highest priority. As accredited members of English UK, we uphold strict safeguarding standards to ensure every student enjoys a secure and enriching experience during their stay.

### What we provide:

- 24-hour emergency contact number for reassurance
- Safeguarding leads on duty at all centres
- Dedicated Twin Group Leaders assigned to individual students
- Welfare officers available to offer guidance and support
- Staff and students have access to local medical services
- First-aid trained personnel and clear emergency procedures in place
- High level of student supervision

## Staff recruitment and suitability

### We follow a thorough recruitment process:

- All staff undergo enhanced police checks according to the local jurisdiction such as the DBS in the UK and Garda Vetting in Ireland
- All staff complete safeguarding training and additional courses
- Background checks are complete on every staff member.
- Staff are trained to listen and respond to students with sensitivity

## Before arrival

### We strive to meet dietary, medical and educational requirements:

- Families are asked to inform us of specific needs before arrival
- Information is handled confidentially and shared with relevant staff

## Activities and excursions

### Students are supervised throughout their time on site and during trips:

- Activity leaders accompany students on all excursions
- Transport arranged by Twin is fully supervised
- All students receive a lanyard with emergency contact details
