ABOUT BIC

British International College is the international faculty of Krirk University, established to provide full international programs with English as the medium of instruction. It aims to nurture globally competent graduates equipped with academic knowledge, practical skills, and cross-cultural understanding.

Mission

BIC's mission is to serve as a “gateway to global education”, fostering academic excellence, research collaboration, and career opportunities for students in the international arena.

Key Highlights

International Programs

Offers undergraduate and postgraduate programs entirely in English.

Global Partnerships

Engages in Memorandums of Understanding (MoU) and academic exchanges with partner universities worldwide, including the UK, US, Canada, Belgium, Czech Republic, Brazil, Indonesia, India, Nigeria, Vietnam, China, Japan.

Diverse Disciplines

Provides programs in Business, Tourism & Hospitality, Art, and other emerging fields aligned with global market demands.

Practical Learning & Networking

Students benefit from internships, international seminars, and collaboration with organizations both domestically and abroad.

DR. JOHN CHISTOPHER WALSH

DEAN OF THE BRITISH INTERNATIONAL COLLEGE

- Dr. John Walsh earned his doctorate from Oxford University in 1997, completing a thesis on international market entry strategies and the performance of UK firms in Korea, Japan, and Taiwan. Over the course of his career, he has lived and worked in Sudan, Greece, Korea, Australia, the United Arab Emirates, Thailand, Vietnam, and his native United Kingdom.
- He has extensive teaching experience across undergraduate, graduate, and doctoral levels, and has held leadership roles directing campuses in Mandalay and Kathmandu. Dr. Walsh has taught a wide range of subjects, including international business, marketing, management, entrepreneurship, human resources, and finance.
- Dedicated to student success, he has supervised more than 20 doctoral graduates and supported students in securing scholarships as well as funded study trips and workshops to destinations such as Singapore, China, Hong Kong, and Cambodia.
