English Study Camps

by Wimbledon School of English

Paul Greaves - Director of Young Learners

I'm happy to present the Summer 2026 programmes from English Study Camps by WSE.

Over the years, we have seen how much a summer course can help young people and how many good memories it can give them. We always try to make our junior and teen students' experience special, and we were proud that this was recognised in our 2023 British Council inspection, when we received 10 strengths. 2026 is also our tenth year at Lord Wandsworth College, which shows how successful and special this centre is. And for 2026, we're excited to be

expanding with a brand new centre at Epsom College in London, offering even more opportunities for students to learn, grow and make lifelong memories.

Our Centres

Lord Wandsworth College, Hampshire, UK

Wimbledon, London, UK.

Epsom College, London, UK.

Great UK Locations

We offer a choice of three fantastic places to study – the green fields of Lord Wandsworth College, the impressive Epsom College London campus, or Wimbledon – one of London's safest districts.

Safety & Welfare

The safety and wellbeing of our students is extremely important to us at English Study Camps, and we were commended for our excellent safeguarding practices in our recent British Council inspection.

Excursions & Activities

We offer a full programme of excursions, activities and evening entertainment so students practise their language, have fun and make friends while exploring the UK.

An Engaging Study Programme

We are dedicated to helping children and young adults achieve their goals by integrating the 5 'Cs' of 21st Century learning: Critical Thinking, Communication, Collaboration, Creativity, and Confidence in all our courses.

Great Nationality Mix

In 2025, we welcomed students from 38 different countries to our summer centres.

British Student Ambassadors

Our British Student Ambassadors are part of the programme at Lord Wandsworth College, Hampshire. As members of the student body they study alongside our international students, giving them the opportunity to learn about British culture first hand from their peers.

Our mentors live on campus with our international students and participate in our Future Business Leaders course and all activities.

Last year we welcomed 31 different nationalities at Lord Wandsworth College, giving both British and international students the opportunity to make friends and learn about different cultures. This unique platform cultivates cultural exchange and brings greater international understanding to all participants.

Ella - British Student Ambassador

"I thoroughly enjoyed my experience helping the international kids improve their English and understand British culture. I've made many friends that I'm still in contact with to this day"
