## aboutIABT

*IABT is situated in the Golden Triangle in the beautiful city of Kuala Lumpur, Malaysia*

The Academy is established by SEG Australia, an organization with over 27 years of experience in education and training. We offer a variety of courses in the field of English, Business, Hospitality, IT, Leadership, as well as customized programs for working professionals. The Academy's forte is its English program, which has given it a reputation as one of the best language centers in Kuala Lumpur, Malaysia. The Academy is also rapidly becoming known, as an institution for developing individuals that are highly sought after for their professionalism and distinguished skills.

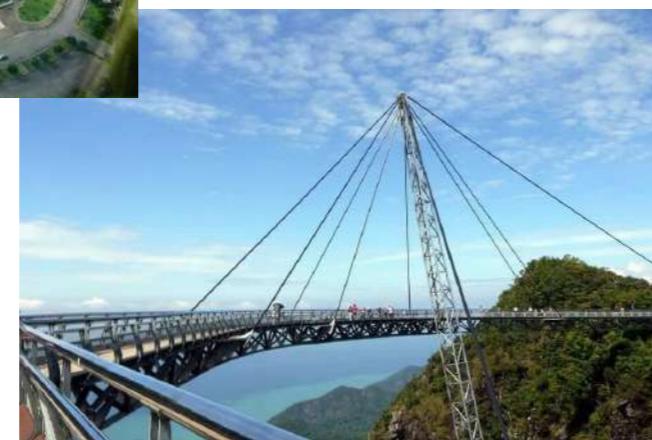

Main campus is enviously located within Sheraton Hotel precinct which is a prominent five star hotel in the Golden Triangle. In addition the location is convenient for students to commute on an everyday basis, and easily accessible to a variety of restaurants, shopping malls, banking facilities, and public transport.

## as a second language

English is the official language of over 80 countries and is most commonly used among foreign language speakers. Throughout the world, when people from different nationalities want to communicate, they commonly use English as the preferred language. This is the reason why English is referred to as "the language of communication".

English is also internationally recognized as the language of science. Most of the knowledge related to computers, tourism, or health by example is in English. Being able to use English in your research especially on the internet, will give you an unlimited access to knowledge!

## Malaysia Holiday Programs

We offer students a great opportunity to enjoy our exciting holiday English courses, which allow students to experience the beautiful places in Malaysia while benefiting from our focused learning programme.

Daily cultural and recreational activities are arranged for students and tied into the course structure to allow learning to be applied in a practical way.

## Australia Holiday Programs

IABT will organize classroom activities that are both fun and educational, with an emphasis on everyday functionally-useful English that can be used in common social interactions, such as meeting friends, asking for information, making offers and requests, talking about personal tastes, talking about past experiences and future plans.

Although speaking and listening will be the main skills practiced, you will also need to understand reading material, such as information leaflets, museum notices and signs in shops

\*True at the time of printing

# learning methodology

### **English conversation exercises with native speakers**

Conversation exercises with native speakers are readily made available for you to practice your pronunciation and verbal communication techniques to be at par with fluent English language speakers.

### **IELTS interactive workshops**

Interactive IELTS workshops are held regularly if you want to specifically enhance and practice test taking techniques to be fully prepared for the IELTS examination with optimal results.

### **Mock Tests**

IELTS mock tests are provided which are developed using the same structure of the actual IELTS examination. As a result this will help you get familiar and confident with the IELTS test format before taking the actual test.

### **Detailed scorecards with feedback to students**

Detailed scorecards will be provided to you along with feedback, which will help you understand where and how you can improve your English language skills in the future.

# exercise sessions and workshops

*Specific skill development workshops divided into the following categories:*

### **Speaking and linguistic workshop:**

Will help you develop your verbal communication skills and empowers you with the confidence to communicate consistently and fluently in any environment and with proper pronunciation.

### **Writing and grammar workshop:**

Focuses on helping you develop your written communication skills by enhancing your vocabulary base and incorporating correct grammar practices simultaneously.

### **Reading and listening, comprehension workshop:**

Emphasizes on the fundamentals of common language skills to determine your overall reading and listening capabilities linked to your overall understanding and how to build on it.

### **Interactive learning methods**

All of the workshops incorporate dedicated attention from experienced native speaking teachers. In addition a multi-media approach is used, incorporating films, music and games with added academic learning, group discussions, question and answer sessions, one to one conversations, role play and presentations.

During the workshops you are constantly monitored in order to update and adapt lessons to your individual needs or the class as a whole. You are also kept in the loop of lesson planning, with your feedback being taken into consideration for incorporation into the exercises.

# IELTS Familiarization and Preparation Courses

## IELTS

The International English Language Testing System is an international standardised test of English language proficiency. IELTS is one of the two major English-language tests in the world, the other being the TOEFL. All students planning to pursue their higher education in English are required to meet the minimum IELTS requirements depicted by the respective institution.

At IABT, we have the expertise and courses to prepare students for the IELTS test.

We offer two types of IELTS courses:

### **Short IELTS Familiarization Course (60 hours)**

This course is designed for individuals who already have the necessary language proficiency but seek to ready themselves for the IELTS exam with confidence. It aims to enhance students' comprehension of all facets of the exam while also acquainting them with its various question formats. Additionally, the course imparts techniques and strategies crucial for optimizing their performance and achieving high scores.

### **Extended IELTS Preparation course (240- 480 hours depending on the students level)**

Our course is designed for individuals lacking the necessary language proficiency to attain their desired IELTS score. We aim to enhance language skills to reach target band equivalents and provide effective techniques and strategies for success. With experienced instructors, personalized assessment, and tailored courses, we ensure you achieve your desired results. Initial diagnostic tests determine strengths and weaknesses, guiding placement into the most suitable preparation course.

### **program highlights include:**

English instruction for professionals and students who wish to pursue their higher education

IELTS test technique advising and practice sessions

Speaking practice for all 3 parts of the IELTS speaking test

Tips on how to tackle IELTS listening test, focusing on the individual features of each of the 4 sections

Advice on how to tackle the IELTS reading test, focusing on the question types, and the skimming, scanning and intensive reading strategies needed for each

One-on-one assistance through the tutoring sessions

Small classes

### **program outcome:**

As a part of the program, you will strengthen your skills in the following areas:

techniques and strategies to help maximize your chances in the IELTS exam

test taking techniques

reading comprehension skills

analytical skills and problem solving

Listening: recognizing intonation and discourse marker clues

Reading: paraphrasing skills and dealing with 'distractors'

Writing: planning and structuring the IELTS essays for writing including describing change, summarizing and comparing, developing and justifying opinions

### **entry requirements**

Students wishing to enter onto an IELTS course will need to do an IELTS-type placement test.

### **If your scores are:**

5 or above you can attend the Short IELTS Familiarization Course or the Extended IELTS Familiarization Course depending on the band you want to achieve.

Less than 5 – you will need to attend at least the Intermediate level of our Intensive English Program. The recommended period of study will depend on the student's diagnostic test score, combined with the score the student wishes to attain in the actual IELTS test.

**Short IELTS Familiarization Course Program Structure  
(total duration of 60 hours- 2 weeks duration)**

30 hours of classes per week that covers the theory based concepts, techniques, and comprehension using an IELTS focused curriculum.

6 hours of practical application using a one-on-one equalization teaching structure; pair work and group work are included in the program. These practical application sessions allow students to apply what has been taught in custom made exercises to give an added learning experience.

Extended IELTS Preparation course Program Structure (240- 480 hours depending on the students level)

Instruction from Intermediate to advanced levels in 3 consecutive levels. Each level has 2 sections and each section is 4 weeks

20 hours of classes per week with regular homework and assignments

10 hours of practical application using a one-on-one equalization teaching structure; pair work and group work are included in the program. These practical application sessions allow students to apply what has been taught in custom made exercises to give an added learning experience.

Paul McAdie- a British Senior English Teacher specializing in helping students prepare for IELTS test achieving high scores. Having taught in many countries, he speaks 6 languages. Equipped with TESOL qualifications, he loves to teach students during summer school.

Kat Phila- a British English Teacher liked by all her students for her impeccable style of teaching. With English, she also has Bachelors of Computer Science qualifications. She brings rich teaching experience with her and enjoys imparting knowledge and language abilities to students of all ages and nationalities.

Shreender Kaur is highly qualified with a Bachelor's in Education (TESL), marked by four-time inclusion in the dean's list, reflecting her outstanding achievements. She demonstrates excellent classroom management skills, ensuring an effective learning environment. She has five years of diverse teaching experience. She is known for her friendly demeanor with a focused approach in the classroom.

We have highly qualified and experienced English language teachers from Native English speaking countries. We have a great mix of teachers where higher levels above elementary are taught by native teachers where as beginner and elementary levels are taught by other teachers who have English as second language. This helps students being taught by those who understand issues in learning English as a second language during initial stages.

All our teachers are very compassionate and helpful to all our students. Our Head of the department is very particular about techniques of teaching English language and focuses on making it easy and fun while learning.

# Ultra Modern CLASSROOMS

*Live the Truly Imaginary Learning Environment*

## Large Interactive Digital Boards

Our staff and students simply love the experience of learning in an ultra modern classroom.

## Tablets For Students

Latest tablets work seamlessly with the interactive boards for a smooth learning

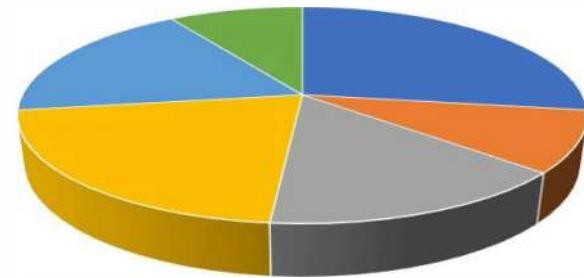

## Blistering Speed Fibre Internet

On line content to interactive classroom media, it is imperative for us to have a fast fibre internet available on our campus for enriching learning experience. Students learn faster and it is pleasant experience.

# Student Generic Mix

Students from many countries come to Malaysia to study English or even higher education. There are many who come to pick up the English language proficiency and from here go overseas to Australia, US, UK or Canada for further studies. This is a very popular trend.

Most of IABT students come for all the reasons mentioned above but majority come before going to Australia, USA and Canada for study and migration purposes.

■ Middle East      ■ CIS (Russian Region)      ■ Southern Asia  
■ South Eastern Asia      ■ Korea      ■ Japan
