A message from our Director

At Summer Boarding Courses, we believe that learning should be fun, exciting, and full of new experiences. Our programmes help students grow in confidence, discover new interests, and make friends from around the world. Every course is carefully planned to be safe, supportive, and unforgettable.

Choosing the right summer school for your child is an important decision. We want to make this decision simple, positive, and full of opportunities.

Since 2008, more than 20,000 students from 155 countries have joined SBC at our schools across the UK. Every year, we see how learning together helps young people open their minds, build friendships, and create memories that last a lifetime. It's this mix of cultures, ideas, and laughter that makes our summer experiences so special.

This year, we are proud to introduce the SBC Pathway, a clear journey that supports your child's growth at every stage. From the first adventures away from home in our Explorer Programmes, to the collaboration and creativity of our Adventure Programmes, to our College Pathways that prepare older students for university and beyond – each step helps students become more confident, independent, and ready for the future.

Every part of our pathway has a clear purpose. We want every student to feel valued, inspired, and supported as they grow not just academically, but as kind, confident global citizens.

Our mission is simple: to unite the cultures of the world through education. We hope every child who joins us leaves with stronger academic skills, wonderful friendships, and a better understanding of the world. At SBC, learning is about more than lessons – it's about discovering who you are and how you can make a difference.

We can't wait to welcome your family to Summer Boarding Courses, and to share a summer of learning, laughter, and memories that will last a lifetime.

Quintessentially British. Unforgettable Summers.

The UK's leading summer school experience

Study and live in some of Britain's most iconic schools and university colleges. At SBC, students join a global community, learn with expert teachers, and discover the best of British culture through academics, activities, and unforgettable excursions.

Who Are SBC Summer Schools For?

Ambitious students aged 8–17 who want more from their summer. SBC welcomes learners ready to improve their English, explore new ideas, and connect with peers from around the world.

Future-Facing Skills

Our programmes go beyond academics. Students develop critical thinking, teamwork, and confidence in an international environment—skills that stay with them long after summer ends.

Empowering Knowledge and Confidence

Learning is interactive and hands-on. Through projects, teamwork and our signature Time to Shine presentations, students practise public speaking and sharpen their English in real situations. They leave not only with subject knowledge but with the confidence to share ideas clearly and persuasively.

Adventures Beyond the Classroom

Every day brings something new. Sports, arts, cultural trips and campus activities spark creativity, build friendships, and strengthen leadership. The social programme is as valuable as the academics – broadening horizons and building a global outlook.

It was a once-in-a-lifetime experience. I made friends from all over the world which is more than enriching and I hope to stay in touch with most of them. I am coming back home with a head full of memories and I feel more confident about life and the future

A Typical Day at Camp Dragon

07.00 - 09.00 Wake Up & Breakfast

House Parents and Pastoral Activity Leaders (PALs) help everyone get ready for the day ahead. Breakfast in the canteen offers plenty to enjoy – from cereal and fruit to warm, hearty options.

09:00 - 09:30 Rise & Shine

Students come together for a lively start to the day. A highlight is singing the Camp Dragon chant – a reminder to be Safe, Brave and Curious throughout the day!

09.30 - 10.30 Discover

These sessions introduce the day's topic through creativity and play. Our 'typical day' showcases History Day where students design their own coat of arms while practising English to describe themselves.

10.30 - 11.00 Playtime

11.00 - 12.30 Develop

'Develop!' sessions help students take their learning a step further through teamwork and hands-on learning, building confidence in both subject learning and English communication. Students explore how castles were built and defended before working together to build and test mini catapults, practising their English along the way.

12.30 - 13.30 - Lunch

13.30 - 15.00 Dare

Afternoons are for adventure! 'Dare' sessions invite children to step out of their comfort zone, and try something new! Today students become medieval knights taking part in UAC Hero Activities such as fencing and combat archery.

15.00 - 15.30 Playtime

15.30 - 17.00 ShowTime

'ShowTime!' brings everyone together to celebrate the day's learning. Teams design and build castles, then face a dramatic "siege" with projectiles and water pistols – a fun-filled end to the day!

17.00 - 18.15 Me Time

After a busy day, it's time to slow down. Now, students can relax with friends, or use their phones to catch up with home, with staff always nearby to offer support where needed.

18.15 - 19.00 Dinner

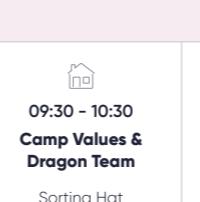

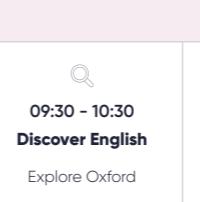

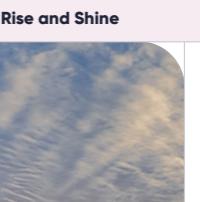

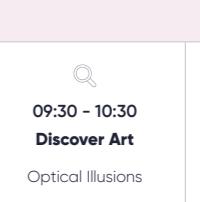

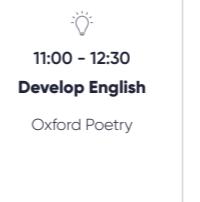

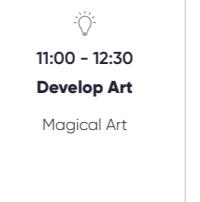

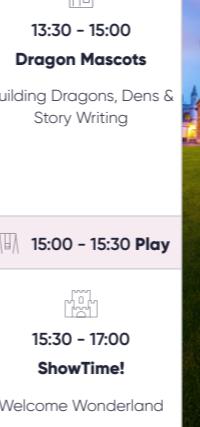

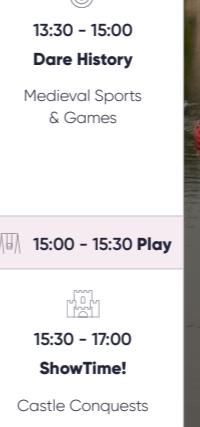

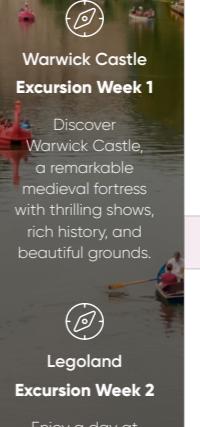

19.00 - 20.00 Awesome Activities

After dinner, students can choose from a wide range of engaging activities, from sports like football and badminton to creative options such as dance, den building, and arts and crafts. For those who prefer a relaxed pace, there are also choices like board games or drawing.

20.00 - 20.30 House Time & Bedtime

Students return to their houses, and after juice and biscuits with their House Parents and PALs, they get ready for bed before lights go out on another busy day!

Delivered in Partnership With

INVESTIN

The Ultimate Career Discovery Experience

This two-week Career Discovery programme is ideal for students beginning to explore future career options in today's most competitive fields.

Developed in partnership with InvestIN, this joint programme gives students direct exposure to competitive career pathways. Students will take part in immersive simulations in Medical Sciences, Finance, Business, Computing, AI & Robotics and Engineering. Students will work in small groups to experience these competitive fields as well as attending two days of interview preparation and career skills workshops at London's UCL. This programme is designed for ambitious young people starting out on their career journey, wanting to help narrow down their path.

Duration
2 Weeks

Start Dates
6th July and 20th July 2026

The Career Discovery Summer Experience

Designed to introduce students to professional thinking at an early stage, helping them understand how different subjects are applied beyond the classroom. Each module focuses on a specific career area, combining subject knowledge with practical challenges that reflect real professional environments.

Students might analyse medical case studies, develop business concepts, explore coding logic or take part in engineering problem-solving tasks. Emphasis is placed on teamwork, communication and decision-making, encouraging students to think critically and work collaboratively.

Students gain exposure to a wide range of career pathways, helping them identify interests and strengths while developing transferable academic and personal skills.

Example Excursions

London Sightseeing Tour & Attractions

See famous landmarks, visit world-class museums and cultural attractions, take epic photos, shop some big-name stores, and soak up London's unforgettable energy.

University College London

Attend a day at London's Global University and prepare yourself for school, university and job interviews. Learn how to develop a basic CV appropriate for all ages and understand how to differentiate yourself from an early age.

Social Programme

Our programme balances focused daytime learning with a structured evening social and wellbeing programme, giving students space to unwind, connect, and feel settled on campus. It's fully supervised by our team, so students can relax and enjoy their time with new friends. Activities include:

Arts & Crafts Badminton Basketball Silent Disco Talent Show Karaoke Football Yoga Rounders
 Film Festival Picnic in The Park Cricket Volleyball Museums Creative Writing and many more!

Accommodation

Students stay in comfortable boarding accommodation on a spacious, green London campus with easy access to the city for activities. Modern rooms and shared spaces, plus on-site common rooms, laundry facilities and pastoral support, give students everything they need for a relaxed and well-supported stay.

Classrooms Gym Laundry Service Modern Dining Hall Shared Bathrooms Single Room Small Dorm Rooms

A Typical Day at Dulwich College

07.45 – 09.00

Wake Up & Breakfast

The day starts with a gentle wake-up from House Parents, followed by breakfast on campus. Students have time to ease into the morning, catch up with friends, and get ready for the day ahead in a relaxed, supportive setting.

09.00 – 10.00

Morning Registration

Students come together for morning registration, a chance to check in with staff, go over the day's plans, and get set for the academic sessions ahead.

10.00 – 13.00

Career Discovery: Sales & Trading

The morning is dedicated to immersive career-focused learning. Students explore how the trading floor operates and how investment banking works in practice. Through expert-led sessions, they hear directly from a professional trader about their career journey, develop specialist financial vocabulary, and gain insight into the technology that underpins modern finance.

13.00 – 14.00

Lunch

Lunch is served on campus, giving students time to refuel, relax, and socialise before the afternoon's practical sessions.

14.00 – 16.00

Live Trading Simulation

Afternoons at Canford are filled with adventure. Students can choose from a wide range of options – from football, tennis, and swimming to art, crafts, and drama. For those wanting an extra challenge, optional extras such as bushcraft or specialist sports coaching provide even more opportunities to learn and explore.

16.30 – 18.00

Multi-Activity Programme

Students can choose from a range of activities, including football, arts and crafts, and team-building games. It's a chance to stay active, try something new, or simply enjoy time with friends after a focused academic day.

18.00 – 19.00

Dinner & Free Time

Dinner is followed by free time to unwind in houses, relax with friends, or speak with family back home. Staff are on hand to offer support and ensure everyone feels settled.

19.00 – 20.30

Evening Social Programme

Evenings bring the community together for relaxed on-site activities such as quizzes, staff-led scavenger hunts, and informal sports. These sessions are designed to be sociable, inclusive, and a fun way to round off the day.

20.30 – 22.00

House Time & Lights Out

Students return to their rooms for lights out, ready to rest and recharge ready for another day of learning and adventure tomorrow.

College Pathways

Discover our College Pathways, that take pre-university learning further by combining academic study with hands-on professional experiences. This programme is designed for ambitious learners who want to experience academic tradition while preparing for the next step in their educational and professional journey.

Locations

For ambitious students aiming to gain an edge in future studies and careers, our Pre-University Experiences combine targeted academic study with exclusive professional insights. These programmes build critical skills, foster intellectual growth, and provide real-world exposure that sets you apart.

Locations:

- Earlscliffe
- Dukes Cambridge
- Oxford College

Our Academic Approach

We go beyond traditional learning, blending subject expertise with essential skills like public speaking, teamwork, and critical thinking. Through interactive lectures, practical workshops, and inspiring guest speaker sessions, students gain both academic mastery and confidence. Our "Time to Shine" projects focus on real-world applications, allowing you to refine skills vital for today's top universities and careers.

Fieldwork

Fieldwork takes learning beyond the classroom and into the city. With a tutor to guide you, you'll explore locations linked to your subject, carry out research on site and test ideas through practical experiments.

Connect theory with real-world settings, giving you a chance to see your subject in action while developing observational and analytical skills.

Letter of Reference and Certificate

All students receive a detailed letter of reference from their tutor, highlighting their academic achievements and character attributes, which will support university applications and career opportunities. They'll also receive a certificate of completion for the course.

Guest Speakers

Each week, students engage directly with leaders across diverse fields. Medical practitioners, innovators, journalists, policy experts, and barristers provide a unique window into their professions, offering insights and Q&A sessions that enrich your learning. Bridge academic knowledge with real-world applications, inspiring you to think critically and creatively about your future.

Immersive Industry Experience

Gain hands-on experience with Immersive Industry Experience sessions, where on-site workshops led by professionals bring your course content to life. Off-site excursions complement your studies, broadening your understanding of real-world applications and preparing you for an accelerated path to academic and career success.

Academic Tutorials

Stand out in university applications with our targeted coaching, including workshops on personal statements (included at Dukes Cambridge), public speaking, and academic planning. Designed to give you a competitive edge, ensuring that your application shines.

A Typical Day at Earlscliffe

07.15

Wake Up & Breakfast

Mornings at Earlscliffe begin in the boarding houses, where students get ready for the day before walking in small groups to the main school buildings. The walk is short and sociable – a chance to chat with friends and enjoy the sea air. Breakfast is served in the canteen, offering plenty of choice to suit every taste, from fresh fruit and pastries to a hot breakfast.

09.15 – 10.45

Subject lessons

The first lesson of the day introduces students to key ideas in their chosen subject. Whether they're exploring current affairs in Think Global or political topics in Global Leadership, developing business insight in Mini MBA, preparing for their academic future in University Preparation, or tackling real-world challenges in Sustainable Futures, classes are dynamic, interactive, and discussion based. Teachers encourage curiosity and debate, helping students connect classroom learning to the world beyond Earlscliffe.

11.00 – 12.30

Subject lessons

Students continue to build on the morning's learning through group activities, case studies, and practical challenges. Lessons include analysing global trends, designing a social enterprise, or experimenting with new ideas in science or leadership.

13.30 – 15.00

Time to Shine

The final academic session is dedicated to project work, where students put theory into practice. Working in teams, they develop solutions, prepare presentations, or collaborate on creative projects to share later in the week.

15.00 – 17.30

Multi-Activity Programme

During the afternoon at Earlscliffe, students take part in sports, dance, or creative workshops – or head out to discover the local area, exploring Folkestone, or enjoying beach activities. It's a chance to relax, make friends, and experience the unique character of the town and sea.

17.30 – 19.30

Downtime & Dinner

After lessons, students have time to rest or socialise before dinner. Dinner is served in the main school canteen, where the atmosphere is lively and welcoming. Staff are always around to chat and provide support, ensuring students feel at home.

19.30 – 21.00

Evening Events

Evenings at Earlscliffe are full of energy and variety. Whole-school and house events bring everyone together for activities like Earlscliffe's Got Talent, Junkbox Challenge, Beach games, or a themed Cinema Night. These moments of fun and creativity help students unwind, build confidence, and strengthen friendships.

21.30 – 22.00

House Time & Lights Out

The day ends quietly back in the boarding houses. Students catch up with friends, get ready for bed, and recharge for another exciting day of learning and life by the coast.

 **07.30 – 08.45**
Wake Up & Breakfast
The day begins with a short walk from the student residences to the dining hall at Sancton Wood, where breakfast is served. Friends gather to chat about their plans for the day over food, while College Mentors are nearby to make sure everyone is ready for the day ahead.

 **08.45 – 09.00**
Morning Assembly
Each morning begins with a quick check-in where students hear about the day's lessons and activities. It's a lively and positive start that helps everyone feel connected to the Dukes Cambridge community.

 **09.00 – 10.30**
Academic Programme
Morning lessons focus on each student's chosen subject - whether that's Business, Medicine, STEM, Psychology, Art, or General English. Lessons are practical and interactive, giving students the taste of what it would be like to study their subject at an undergraduate level.

 **10.45 – 12.15**
Time to Shine Project
In small groups, students collaborate on projects linked to their academic subjects, building communication and collaboration skills. These sessions encourage creativity and critical thinking, while offering a real taste of project-based learning.

A Typical Day at Oxford College

07.30 – 08.45

Wake Up & Breakfast

The day begins with breakfast in the college dining halls. College mentors are on hand to sign students in before students sit down to a healthy first meal of the day with their friends.

08.45 – 09.00

Morning Assembly

Students then make the short walk from their accommodation across Oxford in time for the morning assembly. Here, students find out from the College Principal what is happening that day, as well as inspiring them with a Thought of the Day.

09.00 – 10.30

Academic Programme

Whether Business, Medicine, Law, or Global Leadership, the first lesson of the day is a practical and engaging seminar, where students are introduced to a university-style of teaching and learning.

10:30 – 10:45

Break

10.45 – 12.15

Time to Shine Project

Now, students work in small groups on projects linked to their academic subject, preparing presentations to showcase at the end of the week. These sessions give students a taste of university-style group projects and self-guided learning.

12.15 – 13.45

Lunch

At lunch, students sign out from the college and get lunch in Oxford with their friends, whilst enjoying a sense of independence to explore the city.

13.45 – 16.30

Industry Experience

Wednesday afternoons offer students a real insight into their future careers. Depending on their subject, students take part in a mock trial, a medical simulation, or an investment banking challenge – experiences that help them see how their learning connects to the world beyond.

16.30 – 18.00

Free Time

After lessons, students can relax in college or sign out to explore Oxford in small groups – perhaps browsing the shops, visiting a cafe, or simply enjoying what Oxford has to offer.

18.00 – 22.00

Evenings at Oxford College

After dinner, evenings are all about connection and creativity. On Societies Evenings, students can join activities that match their interests – such as sport, photography, debate, or arts and crafts – while Campus Evenings bring everyone together for larger events and creative challenges, like the Trashion Show. These moments help students unwind, make friends, and build confidence outside the classroom.

22.00

Lights Out

After an evening of fun, students return to their accommodation to relax and prepare for the next day. College Mentors are always nearby, creating a safe and supportive environment as everyone settles in for a well-earned rest.
