# Great British Club 50+ Programme

More and more people in their fifties, sixties and beyond appreciate the attraction of a short, well-organised study programme - especially when it is combined with visiting and exploring new destinations. If you are fifty or over, this programme offers you the ideal opportunity to visit England for a stimulating and productive holiday.

## Your classes

- You will study in a class where the minimum age is fifty, providing there are sufficient students at your level attending the course. In periods where we have lower student numbers, you will be taught in our General English Programme G-1.20, which has no upper age limit.
- The classroom approach is to create an informal atmosphere for purposeful learning, conducted at a pace suitable for those who may not have been in a classroom for many years.
- Our friendly and approachable teachers will make the classes interesting and enjoyable and will use modern teaching methods and materials to build your confidence in speaking English.
- Group activities will be arranged to improve your comprehension and communication skills, such as guided and free conversation practice, role play and discussion of aspects of British and international life, customs and culture.
- Learn in an international environment and make friends with people from many other countries.
- Free access to the multi-media learning centre.

## Excursions, leisure activities

Outside the classroom, you will have the benefit of guided excursions to places of historical and cultural interest and of carefully arranged leisure activities. You will also have time for sightseeing and shopping on your own or with your new friends from the school.

## Your accommodation

We normally provide accommodation with selected homestay families so that you will have no worries about your welfare and your meals. If you prefer to be independent, we can recommend alternative accommodation such as hotels or guest houses to meet your needs.

## Programme Features

- Enjoyable English language tuition
- Relaxed conversation and discussion of current affairs and British life, customs and culture
  - From Elementary to Upper Intermediate level
- Special excursions and leisure activities
- Free access to the multi-media learning centre
