

# English Language and Activity Programme 2026

The English language and activity course consists of 20 General English language lessons per week.

## Classes

Your son/daughter will study in a lively international atmosphere with others whose levels of English are similar. Your son/daughter will be taught by a team of two teachers, who encourage participation and interaction between members of the group - and English will be the only language used!

## Lessons

The lessons will be stimulating and effective, with a variety of activities to develop your son/daughter's confidence, knowledge and skills:

- lively presentation and practice of new language
- rapid development of oral fluency, accuracy and conversation skills
- systematic development of listening, reading and writing skills
- extension of vocabulary, structure and usage

## Excursions, Sports and Leisure Activities

A wide variety of excursions, sports and leisure activities are an integral part of the programme. Students develop their language during activities and excursions using quizzes and worksheets about the destination or activity. Excursions and activities are also followed up in class and students are encouraged to develop language through their experiences.
