OVERVIEW

At **EnCompass Experiences**, we don't just offer trips — we open doors to transformative global connections. Dive into our hand-crafted programs designed to ignite your passion for discovery and shatter the boundaries of your world.

Unlock the Ultimate School Immersion & Buddy Experience

Calling all students aged 5-18! Experience the thrill of American and Canadian school life. Forge lifelong friendships with North American peers, master English in real-time, and dive headfirst into exciting classes and school spirit events.

Captivating Language & Cultural Tours

Ages 12 and up: Blend dynamic language workshops with the pulse of the world's most iconic cultural attractions. This is where learning meets unforgettable exploration!

Master Your Craft with Specialized Courses

Dreaming of directing a short film in sunny California? Or building and coding high-tech robots in the historic hub of Cambridge? Our specialized courses take you far beyond the textbook, merging expert instruction with real-world experiences.

Fast-Track Your Global Future: College & University Enrollment

Command your future with elite, personalized guidance to top-tier high schools and universities. Our University Services Package is your "all-access pass," streamlining everything from the application to housing, to ongoing counseling to ensure your success.

SCHOOL IMMERSION AND BUDDY PROGRAMS

Begin a Life-Changing Adventure!

Don't just visit North America — own the experience! Dive into the heart of US and Canadian student life with the Encompass School Immersion and Buddy program. This isn't a standard ESL course; it's your chance to shatter boundaries and ignite your passion for discovery by living exactly like a local peer for weeks or even months.

Master your English and cultural awareness in real-time as you fully participate in exciting classes alongside your new classmates. From the creative energy of Art and Music to the challenges of Mathematics, Science, Language Arts, and Social Science classes, you'll be in the center of it all.

Unlock a No-Fuss Global Future

Ready to start? We've cleared the path for your transformative journey.

Our streamlined application process is designed for students with an ESTA or Tourist/Visitor visa, meaning no complicated transcripts, no formal interviews, and no language test scores are required for admission. Our hand-picked partner schools are ready to welcome you and provide:

- ✔ **Ultimate Flexibility:** Start your adventure any Monday during the school year. Study for a little as a week or up to 12 weeks in US schools, or 16 weeks in Canadian schools.
- ✔ **The Ultimate American Buddy Experience:** You'll be paired with a local "Buddy" — your instant-access guide to school spirit. They'll share your schedule, introduce you to their friends, and ensure you're an insider from day one.
- ✔ **Authentic Living:** Enjoy full-board accommodation in a student residence or with a caring local host family.
- ✔ **Student Freedom:** Express yourself without the need for school uniforms at most locations.
- ✔ **True Integration:** Forge lifelong friendships through full participation in school clubs, activities, and events.
- ✔ **Sports Excellence:** Take your game to the next level by practicing with school sports teams (team coach permission is required).

This life-altering adventure is open to students in Grades 1-12. Explore our school profiles on the following pages to find your perfect match and [start your journey today!](#)

LA - FOOTHILLS

Discover Excellence in the Heart of the San Gabriel Foothills

Nestled against the breathtaking backdrop of the San Gabriel Mountains, our School Immersion and Buddy program offers a vibrant, safe, and inspiring sanctuary for students in grades 1-12. The school believes in nurturing every child's potential through an intimate 10:1 student-to-teacher ratio, ensuring personalized attention that sparks a lifelong love for learning.

The curriculum is designed to challenge and inspire. Lower school students dive into traditional learning with an early introduction to STEM, while our upper grades focus on rigorous college and university preparation. The results speak for themselves: an incredible 90 percent of graduates earning admission to Top 50 universities, setting the stage for their future success.

Beyond the classroom, life at school is a whirlwind of energy and exploration. From the logic of computers, coding, and math clubs to the creative expression of visual arts and music, students find their passions and build lasting friendships. The school has a dynamic sports program—including basketball, soccer, flag football, volleyball, and golf—encouraging teamwork and healthy competition, making every day on campus an adventure.

LA - SAN GABRIEL VALLEY

Our LA-East School Immersion and Buddy program offers a secure, nurturing haven for elementary and middle school students to truly flourish. Academics are at the heart of the school's mission, blending rigorous educational standards with character-building moral development.

By maintaining small class sizes, the school ensures every student receives personalized attention and targeted support, laying a solid foundation for their future academic success in high school, university, or wherever their future may lead them.

Beyond the classroom, a vibrant campus life fosters lifelong friendships and personal discovery. Whether students are hitting the court for basketball, flag football, or soccer — with additional options like volleyball, cheer, and softball for girls — or exploring their creative passions through dance, drama, music, and chess, there is something for everyone.

The school takes great pride in fostering an inclusive, welcoming community, making this program the perfect launchpad for international students eager to grow, learn, and explore.

VIRGINIA

Imagine your child thriving in an idyllic, historic community within a school that breathes life into the prestigious International Baccalaureate (IB) curriculum. Here, learning isn't just a seasonal activity; the school's unique Balanced School Calendar ensures that curiosity and growth are nurtured year-round.

The IB program at the school is a transformative journey that blends inquiry-based global learning with personalized academic tracks and a vibrant fine arts program. Students are not simply prepared for university; they are empowered to become compassionate, thoughtful leaders ready to take on the world. The impact of this world-class education is undeniable: IB graduates consistently see higher acceptance rates at Ivy League institutions and prestigious universities globally.

Life on campus is full of energy and opportunity that extends far beyond the classroom. Whether your student is a competitive athlete or a passionate hobbyist, there is a place for them to shine. The athletic program features eleven diverse teams—including volleyball, basketball, soccer, swimming, baseball, and golf—where teamwork and perseverance take center stage.

Beyond the field, students are invited to dive into a rich tapestry of campus clubs. From the strategic depths of Chess and the advocacy of Environmental Stewardship to the creative lens of Film, school clubs offer endless ways for students to challenge themselves, explore new interests, and build lifelong friendships in a truly welcoming environment.

ONTARIO SOUTH

Discover a world of opportunity along the vibrant shores of the Great Lakes, where our Ontario-based School Immersion and Buddy program offers a truly transformative educational journey.

Spanning eight individual high schools, the district invites students into an inclusive community that celebrates diversity and upholds values of respect and kindness for all. Whether you are drawn to the innovation of STEM, the energy of Sports Academies, or the creativity of Music and Dance, you will find a specialized environment tailored to your passions. With a unique vantage point right on the U.S. border and a curriculum consistently ranked among the top three in Ontario, students benefit from a globally-minded education that prepares them for success in university and beyond.

The district offers a strong variety of clubs, events, and sports teams to enhance students' growth. The athletically inclined may want to take part in Basketball, Track, Soccer, or the national pastimes of hockey and curling. Or for those whose interests lead elsewhere, the district offers clubs that focus on Chess, Math, Drama, Music, Model UN and Debate, and much more. With such a wide variety of activities out of the classroom, every interest finds a home and every student finds a friend.

With the Great Lakes and US border within easy reach, this safe and affordable community is a prime destination for our School Immersion programs.

Designed for young athletes aged 12–16 of all skill levels, the camp maintains a low coach-to-camper ratio. This means you get the personalized feedback and quality repetitions needed to sharpen your game and build unstoppable confidence.

Get ready for a high-energy week where every day brings a new focus! Dive deep into core fundamentals — dribbling, turning, passing, receiving, and shooting — ensuring you walk away with a complete skill set and a smarter approach to decision-making on the field.

Program Features:

- Open to student aged 12-16
- Five days of soccer practice with local American students.
- Expert coaching staff
- Homestay and full board
- Extend the magic! Expand your stay by adding 1–3 weeks of **California Adventure** while keeping the same welcoming host family!

Take your skills to the next level this summer while forging lifelong friendships with American players. Are you ready to take the pitch?
